CORPORATE
Bingo

Bingo on every phone, for the people you invite.

Turn your company event into a live 75-ball Bingo game. Share one link. No app to install. Easy for you to set up, fun for every player.

WHY ORGANIZERS CHOOSE IT

1. **Ready in minutes.** Pick the time, the size and the prizes. Start free, change anything until the game begins.
2. **Everyone plays on their phone.** Players open one link, type a name and get a 5 by 5 card. One card for each phone.
3. **Your message in the game.** An opening, up to 3 moments during the game and a closing: a message, a video, audio, or a lucky draw.
4. **Fair for everyone.** The software, not a person, decides the winners from public random numbers that many phones check.
5. **Your team can help.** You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.
6. **A free AI helper.** Give your own AI assistant the work link. It builds the draft. You press publish and pay.
7. **Players pay nothing.** You give the prizes. We provide the software and never hold or pay prize money.
8. **Details auto-deleted in 24 hours.** Player names are auto-deleted within 24 hours after the game. Designed to follow India's DPDP Act, the EU GDPR and US privacy laws.

HOW IT WORKS

1

Build your game

Pick the time, size, prizes and call speed. It is a free draft until you publish.

2

Invite your people

Share one link by WhatsApp, e-mail, Teams or Slack. Show the big screen in the room or on a video call.

3

Pay once, then play

Pay once for the game, before it begins. The numbers are called, and the software finds every winner.
