CORPORATE BINGO

Team Bingo for remote and hybrid teams.

Turn your company event into a live 75-ball Bingo game on everyone's own phone. Share one link. No app to download. Easy for you to set up, fun for every guest.

WHY ORGANIZERS CHOOSE IT

1. **Ready in minutes.** Pick the time, the size and the prizes. Start free, change anything until the game begins.
2. **Everyone plays on their phone.** Guests open one link, type a name and get a 5 by 5 card. One card for each phone.
3. **Your message in the game.** An opening, up to 3 moments during the game and a closing: a message, a video, audio, or a lucky draw.
4. **Fair for everyone.** The software, not a person, decides the winners from public random numbers that many phones check.
5. **Your team can help.** You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.
6. **A free AI helper.** Paste your AI link into your own AI chat. It builds the draft. You press publish and pay.
7. **Players pay nothing.** You give the prizes. We provide the software and never hold or pay prize money.
8. **Privacy that is easy to explain.** Guest names are erased within 24 hours after the game, and also when a game never starts. Designed to follow India's DPDP Act, the EU GDPR and US state privacy laws such as the CCPA.

HOW IT WORKS

1. **Build your game**
   Pick the time, size, prizes and call speed. It is a free draft until you publish.
2. **Invite your people**
   Share one link in Slack, Teams, Zoom chat, e-mail or WhatsApp. Show the big screen in the room or on a video call.
3. **Pay once, then play**
   Pay once for the game, before it begins. The numbers are called, and the software finds every winner.
